Dear Applicant:

Re: Senior Citizen Utility Users Tax Exemption

Attached is the Rialto Utility Users Tax Exemption application **for residents 65 years of age and older**. Please complete the form in its entirety. It is very important that your phone number be provided in case there are any questions regarding your application.

The following information must be included with the application:

- **Copy of Photo ID for Proof of Age**
- **Proof of Residency (i.e. Mortgage Statement, Deed, Tax Bill, Rental/Lease agreement or Mobile Home Registration statement)**
- **Copy of all Current Utility Bills (listed on application with Name, Address & Account number or Mobile Home Monthly Statement)**

New Account Notice

After the exemption is processed, the applicant is responsible for notifying the City of any service provider account changes. In order for the City to process the *new* account exemption, the applicant must notify and supply the City with a copy of the bill from each new service account.

Although, per the Municipal Code, the City has 60 days to process exemption requests, it is the City's goal to ensure that, once your exemption is approved, all your service providers are notified in a prompt manner. The service user is responsible for paying the tax until such time. Thank you in advance for your patience and cooperation.

Should you have any questions or need additional information, please contact the City at (909) 820-2661.

Please return the form and all the attachments to the Finance Building located within the City Hall complex or mail to:
