#### **V. INFORMATION/STATUS REPORTS**

##### ***C. Other Reports***

##### **1. Sandra R. Courtney Community playhouse (Calendar) – Perry Brents**

Mr. Brents begin his report by stating that a member of the Sandra R. Courtney Community Playhouse is present to review the theatres calendar for the year. At this time, Mr. Brents dispersed the calendar to all Commissioners and explained the color-coded legend which describes the dates and times required for each live performance at the theatre including set building, dress rehearsals and final show dates; according to the calendar, the season 2016-2017 season ends May of 2017 and the next season, 2017-2018, begins in June 2017. This concluded Mr. Brents' report.

Commissioner Britt Acknowledged Jill Henley, Board Member of Rialto Community Players, also the daughter of Sandra Courtney who was present to answer questions from the Commission.

Commissioner Morrison asked the following related to the Sandra R. Courtney Community Playhouse; what was the working process to develop this current 2016-2017 calendar, and why was the Recreation and Parks Commission not included in this process?

Jill responded stating that during the initial transition of Perry's arrival, the completion of the MOU and initiation of the calendar was delayed. Jill continued stating that each play must be secured approximately one year in advance along with royalty rights paid and in some cases, the rights to selected plays are only available during specific times of the year. Now that an official MOU is in place, the transition should be smoother going into the next playhouse season.

Commissioner Morrison asked if the plays set for the upcoming 2016-2017 season are already purchased and agreed upon? Jill responded yes. Commissioner Morrison then asked how will

calendar scheduling without input from City staff or the Recreation and Parks Commission be avoided in the future? Jill expressed additional concerns with lag-time on the City's end, Mr. Brents then commented stating that lag-time was associated with producing the final MOU after the City Attorney's approval. Mr. Brents continued stating that the final MOU was finalized on September 15, 2016, and it is stated that calendar planning will be done one year in advance. Commissioner DeVost then clarified that planning for the 2017-2018 season will begin the third week of November 2016, Mr. Brents confirmed this is correct.

Commissioner Morrison stated that before planning plays for the 2017-2018 season, step one is to speak with the City liaison first to ensure that a variety of entertainment is offered to the City that represents the people in the City. Commissioner Morrison continued stating that the Commission wants to be more involved in the overall process as an advisory committee to be sure that the Playhouse is available for others who would like to host plays in the City. Commissioner Morrison stated that her biggest concern is the Playhouse members not discussing or planning the seasons with a liaison within the City and she would like to see the entire planning process include the City along with an official calendar reflecting available dates for the playhouse as stated in the MOU. In closing, Commissioner Morrison mentioned that she would like to see the development of a better working relationship between the City and the Playhouse members.

Jill Henley stated that the plays are produced for the City of Rialto for the image and idea of what Rialto arts is all about. She continued stating that the members have no problem working with the City and the playhouse members have invested in many improvements at the theater independently such as lighting and soundboard equipment. Commissioner Morrison said that the plays are great and she understands the playhouse members work very hard, but she wants to be sure that planning is done collaboratively between the City and Playhouse members, and evidence of the proper collaboration will be proven once a seasonal calendar is developed.

Commissioner Morrison also requested that the existing calendar for 2017-2018 be modified to reflect the dates available for the production of plays beyond the Rialto Community Players, and for the 2018-2019 season, when the calendar is developed it should be a collaborative effort between both parties.

Commissioner DeVost asked; who is the designated liaison for the theater? Mr. Brents replied, Alejandra Gonzalez. Mr. Brents also recommended that everyone become familiar with page 2 of the MOU which outlines the relationship components between both parties and perhaps select two Commissioners to begin formulating ideas that could be on the calendar. Commissioner DeVost also wanted to ensure that the annual fee will be applied this year, Jill stated that it has been paid.

In closing, Jill asked how many Commissioners have been to a play at the theatre? Majority raised their hands in acknowledgement of attendance.

## SPORTS REPORT

RIALTO  
COMMUNITY SERVICES

November 2016

### Youth Basketball (Divisions 2-5)

The Fall Basketball began on October 8<sup>th</sup>, 2016. Several teams attended a brief Opening ceremony. As always, Mayor Pro Tem Joe Baca was in attendance and said a few words to open the ceremony. Although this is considered a “football season,” where we traditionally loose participants to the local football programs, we currently have a wait list in all divisions. This season, by far, is one of our largest “football “seasons to date.

This season will also host the traditional Hall of Fame Ceremony on November 5<sup>th</sup>, 2016.

#### Division 1

### Youth Basketball

The Rialto Pride’s season continues as they have been continuously practicing to remain ready for the next tournament(s). We look forward to continued work with the youth of Rialto, and continuing the Rialto Pride tradition. As always, the Rialto Pride would like to send a huge thank you to volunteer coaches for all their hard work and

### Girls Volleyball

The Fall season of Girls Volleyball began on Friday, October 7<sup>th</sup>, 2016. The youngest division, division 2, has 3 very competitive teams.. Although this is the learning division, the excitement of these games equally match the older division. The older division, Division 1, has 6 competitive teams, practicing at 3 sites. These numbers are great for our program. The Girls Volleyball Program continues to produce substantial numbers and continues to be a premier, low cost volleyball program.

### Rialto Youth Sports Alliance

The Rialto Youth Sports Alliance is slated to meet on November 30<sup>th</sup>, 2016. This quarterly meeting will focus on the youth groups financial reporting obligations to both the city, state, federal, and constituents. This meeting will also update all groups on the ongoing city projects, enhancements and retrofits. This meeting plans to set goals and expectations for the New Year. The Frisbee Park groups will be briefed on the slated timetable for retro fitting. This alliance continues to be a great support system for the local groups.

## Rialto Community Players

September 12, 2016

The meeting was called to order by Sandy at 6:05. At tonight's meeting are Rich, Sandra, Chris, Kerry R., Sandy, Cameron, Ann and Jill. We also want to welcome our three new Board members Betsy, Tiffany and Sam.

Sandy made a motion to accept our new board members. Chris seconded the motion. We voted and the motion was passed.

It was suggested that we consider Sharon Ernsberger and Jessica Bridgeman as new Board members.

The minutes were read and then approved after corrections were made.

Ann gave us the treasurer's report As of September 1, 2016 we had \$12,484.26 in the bank. Ann also gave us the final tally on Little Shop of Horrors. As of this meeting Little Shop has had a net profit of \$3,340.12.

Lend me a Tenor was a fun show. The audiences were small, but very enthusiastic. Hedley did a great job of directing his first play. All the people involved with this play signed release and liability forms.

Auditions for Fools are September 13 and 14. Chris is the liaison. Auditions for A Wonderful Life are September 20 and 21. Sandra will have live music for this show.

Everyone accepted the terms of the MOU. Sandy signed and paid the \$500.00 for the year. The State of California Incorporation Papers were filled out and the \$20.00 filing fee was paid.

The city wants to use the theater on the weekend of the 17<sup>th</sup> of November.

John Lynd's shows will still take place this year. The May 12, 13 and 14 dates are still good, but he will have to change the other dates. Chris talked to him and John will get back to us.

The interns are still ushering the shows and they are doing a good job.

Sandra will be out of the Box Office for Lend Me a Tenor. Kerry R. and Tiffany will be helping in the Box Office.

We have some questions regarding videotaping our shows. Is it illegal to video our shows? What about copyright laws?. We have some options. A) Don't offer cast members a video. B) Gift the video to the cast member. C) Purchase our own video equipment. We can also ask John and Julie if they will charge us a flat fee to do the videos. We all think that we should continue giving videos to the cast and crew. Cameron is going to give Sam the video of Little Shop of Horrors to see if he can make copies from it.

Old Business \*\*\* We will table the discussion on awnings until our next meeting.

The homeless people are back on the dock again. We need to talk to the city about this problem. After we hear back from them we will discuss our options.

Sandra has looked at Vista Print again and came to the conclusion that we should use both Vista Print and ABF for our printing needs. Vista Print meets certain needs while ABF meets others.

New Business \*\*\* We need to discuss Board Meetings. When Board meetings are held during Hell Week everyone is inconvenienced. Could rehearsals start at a later time? Maybe we can have Board meetings off site. We need to talk about this more at our next meeting and make a decision regarding future Board Meetings.

Publicity \*\*\* We need a person who will manage publicity. Cameron said that he will do social media and internet. Maybe we need a team to do the publicity. Sandra will make up a job description for a publicity person and bring it to the next meeting. If you have any ideas e – mail them to her.

We need a contact chairperson. We need to make a list of builders, tech people, stage managers etc., This list should be available to directors and others who work in our theater

We need to finish the inventory lists and get them to Sandy.

Cleanliness of the Theater \*\*\* The theater needs to be somewhat clean at all times. We don't want to give anyone ammunition to use against us. The trash needs to be emptied regularly. The restroom should be cleaned when it is dirty. Empty water bottles should be picked up. If everyone helps keep the theater clean then we should have no problems. A suggestion was made to buy a 5 gallon water bottle to be put back stage. This could help with the empty water bottle problem. ( See Sandy's note on upkeep of the theater, It was passed out at the last meeting ),

There will be a clean-up day on Saturday September 17<sup>th</sup> at 9:00. We will clean the dock and the storage bins,

Kerry J. will send us a notice about our next meeting date,

The meeting was adjourned at 7:55;(
