

Citizen Participation Feedback Survey - City of Rialto

Section 1: Residential Information

The City of Rialto is preparing the 2015-2019 Consolidated Plan as required by the U.S. Department of Housing and Urban Development. This survey is used to obtain input from community residents regarding affordable housing, community development, economic development, and other needs of City residents. The Consolidated Plan allows Rialto to utilize Federal Community Development Block Grant (CDBG) funds to enhance the quality of life for residents.

Your responses to these survey questions are an essential component of the City's planning process. Should you need assistance or have questions regarding the survey, please contact Frank Perez, CDBG Consultant at (909) 476-6006.

The map divides the City into statistical areas based on U.S. Census Tracts for the purposes of the 2015-2019 Consolidated Plan.
