Plan. Build. Move.

The San Bernardino County Transportation Authority invites you to attend a ribbon-cutting ceremony for the State Route (SR) 210/ Pepper Avenue Interchange Project. The project added a connection between the recently extended Pepper Avenue and SR 210, offering a new option for commuting and moving goods through the region. The eastbound and westbound on-ramps now include carpool lanes and ramp meters for improved mobility.

Frisbie Park - 1901 N. Acacia Avenue Rialto, CA 92375

For more information, please contact Tim Watkins, San Bernardino County Transportation Authority at 909-884-8276 or twatkins@gosbcta.com.
