

Rialto Network

City of Rialto Public Access Channel

Provides the citizens of Rialto with LIVE coverage of gavel-to-gavel City Council proceedings and Rialto Unified School Board meetings with replays at various times.

The station produces programming for the City of Rialto such as, Police and Fire information, City events, local news briefs, environmental & educational issues and public service announcements.

Also, there is programming produced, directed, & recorded by the community for the community.

When video segments are not aired Rialto Network runs the Informer Message Board (a television listing of activities, special events and services available to Rialto residents.)

This message board is for non-profit organizations, businesses having special events, educational & governmental entities.
