

WELCOME TO THE NEIGHBORHOOD

Are you a new resident to our beautiful community? If so, welcome! If you are a current resident of Rialto, we hope this guide can help you as well. Our goal is to build relationships and work with residents and businesses to enhance our neighborhoods. This begins with each resident and each block. Working with neighbors to maintain a beautiful neighborhood benefits everyone!

Outside the Home

- ❖ Lawns need to be cut and maintained regularly
- ❖ There is no parking of vehicles on lawns or unpaved surfaces
- ❖ Abandoned, inoperable, or dismantled vehicles cannot be in view
- ❖ Pull trash cans in when it is not trash day and keep out of public view
- ❖ Junk, trash, debris, & furniture cannot be in public view
- ❖ If you want to get rid of a bulky item, contact Burrtec before placing appliances and bulky items near the curb.
- ❖ Keeps pools clean (no green) & gated/secured
- ❖ Do not leave vehicles on the street without moving every 72 hours
- ❖ Please also maintain your parkways

Inside the Home

- ❖ There must be a smoke detector in every bedroom and a combination detector (smoke and carbon monoxide) in the hallway outside of the rooms. Have at least a smoke and carbon monoxide detector on each floor even if there are no bedrooms
- ❖ Water heaters need to be double strapped (earthquake safety).
- ❖ Keep appliances (hotplates, microwaves, crockpots, etc.) out of bedrooms
