New Regulations Effective January 1, 2020

Subject: **Senate Bill No. 205 - Business Licenses & State Industrial Permit Compliance**

Dear Business Owner:

The City of Rialto is informing all businesses in our jurisdiction of the recently adopted California Senate Bill No. 205, which went into effect on January 1, 2020. This bill requires the industrial users that are regulated by the State Water Resources Control Board (SWRCB) General Industrial NPDES Permit Order No. CAS000001 (State Industrial Permit), to provide the City with the primary SIC Code of the business, and the WDID, NEC, or NONA number as proof of coverage under the State Industrial Permit when applying for a City business tax certificate renewal.

The City will be requiring that all businesses provide the primary SIC Code, and all businesses that are subject to the State Industrial Permit must provide proof of coverage prior to the issuance of a new business license or business license renewal. To assist you in determining if your business is subject to the State Industrial Permit, we have attached a list of the Standard Industrial Codes that the SWRCB uses to identify facilities subject to the State Industrial Permit. Further information including how to file for coverage under the State Industrial Permit can be obtained on the SWRCB website at http://www.waterboards.ca.gov/water_issues/programs/stormwater/industrial.shtml.

Sincerely,

Business License Division
City of Rialto
