Consistent with the agreement between the City and PERS setting forth the Employee Cost sharing terms set forth herein, bargaining unit members who are not new members will pay twelve percent (12%) of their salary towards the employer’s share of PERS contribution effective the pay period that includes July 1, 2013. The City will continue to pay the Employer Paid Member Contribution which is currently nine percent (9%) pursuant to Government Code Section 20691.

Members agree to contribute the additional 3% cost sharing amount above the previously agreed upon 9%, (for a total of 12%) as a pretax salary reduction until such time as a contract amendment with CalPERS can be processed.

All contributions made by employees described in the previous section above shall be in accordance with IRS Code Section 414(h)(2) (or any subsequent amendments to said IRS code section), whereby employee contributions described above shall be tax deferred (not subject to taxation until time of constructive receipt).

**ARTICLE 39.
GRIEVANCE PROCEDURES**

A. DEFINITIONS

1. Grievance — A “grievance” is a written allegation by an employee within the bargaining unit alleging that the employee has been adversely affected by a violation of specific written provisions of this MOU or of written rules, regulations or procedures affecting terms and conditions of employment. Grievances shall not be utilized to challenge the agency’s exercise of its authorities set forth in Article 39 AGENCY AUTHORITY of this MOU. Additionally, by virtue of entering into this MOU, the parties agree that no matters, whether labeled as grievances, “complaints,” or otherwise, may be appealed to any administrative entity or body except as described herein. Further, the grievance procedure shall not be utilized to challenge or change the policies of the City whether they are written or otherwise. Additionally, performance evaluation reports and reprimands, whether written or verbal, are not subject to the grievance procedure (except where found to be a “punitive action”, as defined by the Firefighters procedural Bill of Rights, against non-probationary firefighters.)
2. Day — Unless otherwise stated, a “day” is a day in which the City Hall is open for business.
3. Representative(s) — A representative is a member of the unit, association representative(s), or legal counsel who shall represent any party in interest at his/her election.
4. Grievant — Any unit member.

B. INFORMAL MEETING — Any unit member(s) alleging a grievance shall meet with his/her immediate supervisor with the objective of resolving the matter informally. The unit member(s) may have a representative present with him/her at this informal meeting. Request for such meeting shall occur within ten (10) days after the occurrence of the act or omission giving rise to the grievance or ten (10) days after the grievant knew or reasonably should have known about the act or omission, whichever is later.

C. FORMAL LEVEL I: DEPARTMENT HEAD OR DESIGNEE

1. In the event the grievance is not resolved at the informal meeting, within ten (10) days of the informal meeting the grievant may submit the grievance as a formal written grievance to the department head or designee. If the grievant has not submitted a written grievance within this time period, the grievance will be deemed to have been resolved.
2. Within ten (10) days after receipt of the written grievance by the department head, a personal conference with the other party shall take place upon the request of either the grievant or the department head or designee. Within fifteen (15) days after receipt of the grievance or ten (10) days after the date of the Level I meeting, whichever is later, the department head or his/her designee shall render a written decision to the grievant and shall transmit a copy to the Association.

3. In those cases where a “grievance” regards a disciplinary proceeding which is both subject to the grievance procedure and which constitutes a proposed deprivation of property giving rise to a pre-disciplinary proceeding in accord with *Skelly vs. State Personnel Board*, the subject employee shall commence his/her grievance at this Level I. The proceeding before the department head or designee shall constitute both an exhaustion of the Level I grievance, and provision of any due process-mandated pre-deprivation proceeding.

D. FORMAL LEVEL II: ADVISORY ARBITRATION. If the grievant is not satisfied with the disposition of the grievance at Level I, or if no decision is rendered within the designated time period, a grievant may forward a written grievance to the Human Resources/Risk Management Director, or designee, proposing that advisory arbitration be undertaken. In the alternative, the grievant may elect to proceed to Formal Level III and submit the dispute to the City Manager or designee for final determination.

1. In this case, Formal Level II provides for advisory arbitration and does not render a binding opinion. In the alternative, the grievant may elect to proceed to Formal Level III and submit the dispute to the City Manager or designee for final determination.
2. Said written grievance request for convening of advisory arbitration shall be considered timely only if received by the Human Resources/Risk Management Director, or designee no later than ten (10) days after service by the department head/designee of the Level I decision or twenty (20) days after the grievance was presented, whichever is later. Said request for arbitration shall clearly state the provisions of the MOU and/or written rules, regulations or procedures affecting terms and conditions of employment, which have been allegedly violated. The arbitration proposal shall also set forth a detailed statement by the grievant containing all facts then known to the grievant which support his/her claim of an MOU/rule or regulation violation. A general or specific denial of wrongdoing or claim of misconduct shall not be sufficient. The arbitration proposal shall be signed by the grievant. Signature by a representative shall be insufficient.
3. Within ten (10) days of receipt by the Human Resources/Risk Management Director, or designee of a timely grievance, the parties shall confer by writing, telephone or in person, as regards selection of a mutually agreeable advisory arbitrator. If said meeting either does not occur or if said meeting does not result in the selection of an advisory arbitrator, then within fifteen (15) days of receipt by the Human Resources/Risk Management Director, or designee of the timely grievance, the Director, or designee shall mail to the State Mediation and Conciliation Service, a request that a list of seven (7) qualified potential advisory arbitrators be sent jointly to the grievant and to the City.
4. Within ten (10) days of mailing by the State Mediation and Conciliation Service of such list, the parties shall by telephone or other mutually acceptable means, select an advisory arbitrator by means of alternate striking of names until one name remains. Said individual shall be the advisory arbitrator. Determination of which party shall make the initial strike shall be by lot.

5. Within five (5) days of said selection process being completed, the Director, or designee shall mail written notice to the State Mediation and Conciliation Service of the identity of the individual mutually selected to hear the grievance matter.
6. The hearing shall commence on a date mutually agreeable to the parties and to the arbitrator, but in no case greater than 120 calendar days after selection of the arbitrator, unless otherwise mutually agreed to by the parties.
7. In those arbitration proceedings, which are non-disciplinary, the burdens of proof and production of evidence shall be upon the grievant. The ultimate issues in such cases shall be whether or not proof by a preponderance of the evidence supports a finding that a specific written section of the MOU and/or rules and regulations affecting terms and conditions of employment, has been violated, and if so, the nature of the appropriate remedy.
8. In those cases, regarding disciplinary matters involving the deprivation of property, the burdens of proof and production of evidence shall be upon the department and shall be by a preponderance of the evidence. In such cases, the ultimate issues shall be as follows:
 - a. Does a preponderance of the evidence support a finding that misconduct did occur?
 - b. If so, was the disciplinary decision a reasonable exercise of the discretion vested in the appointing authority?
 - (i) If yes, the discipline shall be sustained.
 - (ii) If no, the discipline shall be subject to modification.
9. All advisory arbitration hearings shall be closed to the public unless the employee requests, in writing, no later than five (5) calendar days before the hearing, that the hearing be open.
 - a. Subpoenas (no subpoenas duces tecum) shall be issued by the arbitrator at the request of either party. State civil rules governing the issuance and validity of subpoenas shall also govern the issuance and validity of subpoenas issued herein.
 - b. The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to rely on in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil and criminal actions. Irrelevant and unduly repetitious evidence shall be excluded.

- c. The hearing shall proceed in the following order:
 - (i) The party imposing discipline shall be permitted to make an opening statement.
 - (ii) The appealing party shall then be permitted to make an opening statement.
 - (iii) The department imposing disciplinary action shall produce the evidence on its behalf.
 - (iv) The party appealing such disciplinary action may then offer his/her defense and offer his/her evidence in support thereof; the employee bears the burden of proof and the burden of producing evidence for any affirmative defenses asserted.
 - (v) The parties may then, in above order, respectively offer rebutting evidence, unless the arbitrator for good cause, permits them to reopen and offer evidence in their case in chief.
 - (vi) Oral closing arguments shall be permitted. Written briefs may be permitted at the discretion of the arbitrator. The department shall have the right to open the oral closing arguments followed by the appealing party. The department shall then have the right to reply.
 - (vii) The orders of presentation and burdens of proof shall be reversed in those cases where non-disciplinary grievances are heard.
10. The arbitrator shall determine relevancy, weight, and credibility of testimony and evidence. During the examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing unless the arbitrator, for good cause, otherwise directs. However, both parties shall be permitted to designate an investigator or assistant to be present at the hearing, even if such person is or may be a witness. The arbitrator shall render judgment as soon after the conclusion of the hearing as possible but in no event later than thirty (30) calendar days after submission of closing arguments. The decision shall set forth which charges, if any, are sustained and the reasons, therefore. The decision shall set forth findings of fact and conclusions of law. The arbitrator's decision shall be advisory only with the City Manager retaining jurisdiction to make a final determination as set forth below.
11. Within thirty (30) calendar days of the receipt of arbitrator's findings and recommendations, the City Manager shall adopt, amend, modify or reject, in whole or part, the arbitrator's findings and/or conclusions. Prior to making a decision which rejects or modifies in whole or part, the findings and/or recommendations of the arbitrator, the City Manager shall review the transcripts of the arbitration hearing. The City Manager shall not conduct a de novo hearing. The decision of the City Manager shall be administratively final and conclusive and is subject to the provisions of Code of Civil Procedure Section 1094.6. Copies of the City Manager's decision shall be served on the grievant and the department

and shall be filed, along with the arbitrator's recommendations and finding, in the employee's personnel file, unless the matter involved discipline and the discipline was not upheld by the City Manager.

12. The City shall bear the cost of a mandatory court reporter. The City shall bear the cost of transcripts that are required by the City Manager or the arbitrator. Each party shall bear its own costs where the ordering of transcripts is a voluntary act. Each party shall bear its own witness and attorney fees. Additionally, each party shall equally share all fees and costs billed by the arbitrator.
13. It is specifically agreed and acknowledged by the parties that failure by the grievant to strictly comply with the time limitations for taking action in connection with review of a grievance, shall be considered a jurisdictional defect and shall result in a waiver by the grievant of any and all appeal rights, regardless of how brief or minimal is the failure to comply with the time limitations. The department shall not be required to show or prove the suffering of any prejudice as a condition precedent to strictly enforcing the time limitations described herein. In any case where the department or city does not strictly comply with the time limitations described herein, then the grievant's remedy shall be movement of the grievance process to the next higher level. In no case shall failure by the department/city to comply with the time limitations described herein, result, in and of itself, in a finding adverse to the department/city.
14. In any case where a party or potential party disputes the arbitrability/jurisdiction of a grievance, said dispute shall not be resolved by the arbitrator, but shall be first resolved through civil proceedings.

E. FORMAL LEVEL III: CITY MANAGER OR DESIGNEE

1. If the grievant is not satisfied with the disposition of the grievance at Level I, or if no decision is rendered within the designated time period in Level I, the grievant may forward the written grievance to the City Manager or his/her designee within ten (10) days after the decision at Level I or twenty (20) days after the grievance was presented, whichever is later.
2. Within ten (10) days after receipt of the written grievance by the City Manager, a personal conference with the grievant shall take place upon the request of the grievant or the City Manager. Within fifteen (15) days after receipt of the grievance or ten (10) days after the date of the Level I meeting, whichever is later, the City Manager or his/her designee shall render a written decision to the grievant and shall transmit a copy to the Association.

F. GENERAL PROVISIONS

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be considered as a maximum, and every effort should be made to expedite the process.

2. Failure by the grievant to meet any of the specified timelines shall constitute a withdrawal of the grievance. Failure by the City to meet any of the specified timelines shall entitle the grievant to appeal to the next level of review.
3. The time specified, however, may be extended by mutual consent.
4. The grievant is entitled to representation of his/her choice at any point in the grievance procedure.
5. Any member of the unit may at any time present grievances to the employer and have such grievances adjusted without the intervention of the exclusive representative as long as the adjustment is not inconsistent with the terms of this contract; provided that the City shall not agree to a final resolution of the grievance until the exclusive representative has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.
6. Neither party shall take reprisals against any member of the Association, Association representative, management person, or any other participant in the grievance procedure by reason of such participation.

**WORKERS' COMPENSATION-RELATED ALTERNATIVE DISPUTE
RESOLUTION AGREEMENT**

THIS LABOR MANAGEMENT WORKERS' COMPENSATION ALTERNATIVE DISPUTE RESOLUTION AGREEMENT ("Agreement") by and between the Rialto Fire Management Association ("RFMA") and the City of Rialto ("City") is pursuant to California Labor Code §3201.7(a)(3).

Article I: Purpose

The purposes of this Agreement are:

1. To provide active employees claiming compensable injuries under Division 4 of the California Labor Code ("Workers' Compensation Law") with an expedited procedure to resolve disputes in accordance with the provision of the Agreement and to facilitate those employees' prompt recovery and return to work;
2. To reduce the number and severity of disputes between RFMA, City and covered employee, when those disputes relate to workers' compensation;
3. To provide workers' compensation coverage in a way that improves labor management relations, improves organizational effectiveness, and reduces costs for RFMA and City;
4. To provide RFMA and covered employees with access to mediators so that legal disputes can be resolved informally and more expeditiously.

These purposes will be achieved by:

- a. Utilizing an exclusive list of medical providers to be the sole and exclusive source of medical-legal evaluations for disputed issues surrounding covered employees in accordance with Labor Code §3201.7(c).

Now, therefore, in consideration of the mutual terms, covenants and conditions herein, the parties agree as follows:

Article II: Term of Agreement

The City and RFMA enter into this Agreement with the understanding that the law authorizing this Agreement is new and evolving. The parties further understand that this Agreement governs a pilot program and that it shall become effective after it is executed by the parties, submitted to the Administrative Director of the State of California, Department of Industrial Relations, Division of Workers' Compensation in accordance with Title 8, California Code of Regulations

§10202(d), and accepted by the Administrative Director as evidenced by the Director's letter to the parties indicating approval of the Agreement. This Agreement shall be in effect for one year from the date of the Administrative Director's letter of acceptance to the parties. Thereafter, it shall continue and remain in force from year to year unless terminated by either party as provided for below. Any claim arising from an industrial injury sustained before the termination of this Agreement shall continue to be covered by the terms of this Agreement, until all medical issues related to the pending claim are resolved.

The parties reserve the right to terminate this Agreement at any time for good cause, by mutual agreement or by act of the Legislature. The terminating party must give thirty (30) calendar days written notice to the other party of the intent to terminate. Upon termination of this Agreement, the parties shall become fully subject to the provisions of the applicable Labor Code provisions to the same extent as they were prior to the implementation of this Agreement, except as otherwise specified herein.

Article III: Scope of Agreement

1. This Agreement applies only to injuries, as defined by Workers' Compensation Law, claimed by the following referred to herein as "Covered Individuals" (a) active employees (b) retirees and (c) active employees and retirees where a petition to reopen a pre-existing claim to seek new and further disability or to reduce a prior award is filed after the effective date of this agreement. Existing medical treatment disputes prior to the date of this Agreement, may be included within the Program on a case-by-case basis, determined by the JLM. The scope of this Agreement does not apply to retirees that have a future medical dispute that is outside the five-year statute of limitations or Labor Code §5804.
2. Injuries occurring and claims filed after termination of this Agreement are not covered by this Agreement.
3. This Agreement is restricted to (a) establishing an exclusive list of medical providers to be used for medical and medical-legal dispute resolution of Covered Individuals, (b) establishing an exclusive list of mediators to be used for legal dispute resolution of Covered Individuals, (c) establishing a process for informal legal discovery in accordance with Article VII, in accordance with Labor Code §3207.1(c).
4. For purposes of this Agreement a "claimed injury" is one for which either (a) DWC-1 workers' compensation claim form has been filed with the City and Third Party Administrator ("TPA") or (b) an Application for Adjudication of Claim has been filed with the Workers' Compensation Appeals Board ("WCAB").

Article IV: Expedited Medical-Legal Process

1. Physicians who serve in the capacity as Independent Medical Examiners ("IME") pursuant to this Agreement will receive enhanced compensation for services performed as outlined in the physician contract in exchange for expedited examinations and report preparation.
2. This Agreement does not constitute a Medical Provider Network ("MPN"). However, all employees must utilize the City's current MPN for treatment purposes during the time the City maintains and utilizes the MPN. The MPN is governed by Labor Code §4616 et seq. Physicians who act as a Covered Individual's treating physician or have provided treatment to the Covered Individual shall not act as the Independent Medical Examiner (IME) in the Covered Individual's claim. Pre-designation of a physician must comply with the requirements set forth in Labor Code §4600(d)(1).
3. All employees with a disputed medical issue as described in Article IV Paragraph 5 must be evaluated by an approved physician from the exclusive list of IME's. Should the employee claim injuries requiring more than one medical specialist, the employee shall be provided an IME appointment in each area of specialty. If the IME requires the opinion of an additional sub-specialist, the IME shall refer the employee to a physician of the IME's choice, who need not be on the IME list or in the MPN. The consulting specialist charges are subject to the Official Medical Fees Schedule (OMFS). When using the services of an additional sub-specialist the agreed-upon thirty (30) day for appointments and thirty (30) day for reporting timeframes do not exist. The parties will make an effort to expedite the examination dates for the sub-specialist. The IME may not refer the employee to his treating physician for this purpose.
4. The exclusive list of IME's shall include the specialties as agreed upon by the parties.
5. An IME shall be used for all medical disputes that arise in connection with a workers' compensation claim including but not limited to determination of causation, the nature and extent of an injury, the nature and extent of permanent disability and apportionment, work restrictions, ability to return to work (including transitional duty), current and future medical care, and resolution of all disputes arising from utilization review, pursuant to Labor Code 4062(b). The parties agree that the Covered Individual shall use the originally chosen IME for all subsequent disputes and injuries claimed arising under this Agreement. In the event that said IME is no longer available, the parties shall utilize the next specialist on the list pursuant to Article IV, Paragraph (10)(e), as set forth herein. The parties agree that if the covered member has different

claimed parts of body, the appropriate IME in specialty will be utilized to address the different parts of body.

6. The IME process described above will be triggered when either party provides the other written notice of an objection in connection with any issues set forth in Article IV Paragraph 5 above. Objections from the City shall be sent to the employee with a copy to the employee's legal representative if represented. Objections from the employee or employee's legal representative shall be sent to the employee's assigned claims examiner with a copy to the City and City's legal representative, if applicable.
7. Objections shall be sent within thirty (30) calendar days of receipt of a medical report or a utilization review decision addressing any of the issues set forth above. A letter delaying acceptance of the claim automatically creates a dispute. Further, all denials and/or delays of benefits including decisions from Utilization Review modifying or denying medical treatment automatically creates a dispute. Delayed decisions based on legal issues shall not trigger the IME process. A subsequent acceptance of the claim and/or resolution of the disputed issue may eliminate the need for completion of the dispute resolution process set forth in this Agreement.
8. The exclusive list of IME's shall serve as the exclusive source of medical-legal evaluations for all disputed medical issues arising from a claimed injury, unless otherwise agreed to by the parties in writing.
9. The parties hereby agree that during the quarterly committee review meetings, the exclusive list of IME's may be amended. For either party to propose adding an IME to the exclusive list of medical providers, the party must provide notice, in writing, to the other party of its request to add a physician to the list. The parties must mutually agree in writing to the addition of physicians to the IME list. A physician may only be deleted from the exclusive list of medical providers if s/he breaches the terms and conditions of the contract with the City or by written mutual agreement of the parties. The list shall be reviewed quarterly by the JLM from the execution date of the Agreement for additions and deletions of newly selected or deleted IME's. Any IME proposed for consideration of addition or deletion after the review period will be reviewed at the next internal review period of the JLM unless there is a breach of terms and conditions of the Agreement or by mutual written agreement of the parties.
10. Appointments:
 - a. City Risk Management/TPA shall schedule appointment(s) with the IME and provide notice of the appointment within ten (10) calendar days of the

date of receipt of the objection issued by any party subject to the terms and provisions of this Agreement. The notice of the appointment location, date and time shall be sent to the employee and to his legal representative, if applicable.

- b. The employee shall be responsible for providing City Risk Management/TPA with his/her work schedule prior to an appointment being made.
 - c. Compensation for attending medical appointments under this Agreement shall be consistent with existing City MOU and policy and practice.
 - d. Mileage reimbursement to covered employees shall be in accordance with Labor Code §4600(e) (2), unless City provides transportation.
 - e. For purposes of appointments, City Risk Management/TPA shall select the IME(s) by starting with the first name from the exclusive list of approved medical providers within the pertinent specialty, and continuing down the list, in order, until the list is exhausted, at which time City Risk Management/TPA will resume using the first name on the list.
 - f. The IME shall submit the medical reports thirty (30) days following examination of the employee, pursuant to the contract terms, unless the parties agree to a longer period of time.
11. The City is not liable for the cost of any medical examination used to resolve the parties' disputes governed by this Agreement where said examination is furnished by a medical provider that is not authorized by this Agreement. Medical evaluations shall not be obtained outside of this Agreement for disputes covered by this Agreement, notwithstanding Labor Code §4605.
12. Both parties shall be bound by the opinions and recommendations of the IME selected in accordance with the terms of this Agreement, subject to legal challenges brought by the parties.
13. Either party who receives records prepared or maintained by the treating physician(s) or records, either medical or non-medical, that are relevant to the determination of the medical issue shall serve those records on the other party immediately upon receipt. If one party objects to the provision of any non-medical records to the IME, the party shall object within twenty (20) calendar days of the service of the records. Objection to the provision of non-medical records may result in the denial of the claim on the basis that the IME did not have complete and accurate information. There shall be no objection to the

provision of medical records to the IME, subject to the provision of the Labor Code.

14. The City's TPA shall provide to the IME records prepared or maintained by the employee's treating physician(s) and medical and nonmedical records relevant to the determination of the medical issues(s). The City's TPA shall prepare a list of all documents provided to the IME and shall serve a copy of the list on the employee and/or on his/her representative.
15. All communications with the IME shall be in writing and shall be served on the opposing party. This provision does not apply to oral or written communications by the employee or, if the employee is deceased, the employee's dependent, in the course of the examination or at the request of the evaluator in connection with the examination, or to administrative communications with the IME's staff.
16. Ex parte communication with the IME is prohibited. If a party communicates with the IME in violation of Paragraph 15 and 16 of Article IV, the aggrieved party may elect to terminate the medical evaluation and seek a new evaluation from the next IME chosen from the list pursuant to Paragraph 10(e). If a new examination is required, the party making the communication prohibited herein may be liable for the cost, pursuant to Labor Code §5811, or as ordered by the WCAB.
17. If either party disputes a medical or medical-legal finding of the IME, they shall notify the other party of this dispute by way of written objection within thirty (30) calendar days of actual receipt of the IME's report. All disputes of this nature shall be resolved either by way of supplemental interrogatory and report or by way of deposition.

Article V: Mediation

1. Any party subject to the provisions of this Agreement may request mediation in accordance with the provisions set forth herein. Mediation is an informal, confidential process in which a neutral party assists the other parties in understanding their own interests, the interests of the other party, and the practical and legal realities each party faces. The mediator helps the parties explore options and arrive at a mutually acceptable resolution of the dispute. The parties agree that WCAB retains jurisdiction to approve all settlements, awards, and orders achieved through mediation.
2. Mediation is voluntary and both parties must agree to mediate a particular issue or matter in order for mediation to proceed.
3. The mediation process shall only be triggered when both parties are represented; the mediation process shall be triggered when one party gives the other written notice of

their desire to engage in mediation in connection with any issue including, but not limited to, any purely factual or legal defense involving a determination of causation, applicability of a presumption, whether a medical report constitutes substantial evidence, disputes involving average weekly wage or the rate of pay for Labor Code §4850 benefits, temporary disability benefits, whether an apportionment is valid, disputes over a permanent disability rating, disputes over occupational group numbers, credits for claimed overpayment of benefits, determination of dependency status in death claims, penalties, issues involving alleged serious and willful misconduct, issues involving potential violations of Labor Code §132(a), discovery disputes, and questions involving jurisdiction.

4. It is the specific intent and desire of the parties that the mediation process set forth herein be flexible and is designed as a means to resolve factual and/or legal disputes that are not amenable to resolution through the expedited medical-legal process. The potential issues listed in Paragraph 3 of Article V is not meant to be all inclusive but is merely a listing of issues likely to be the most common particularly suited for mediation. Upon mutual agreement of the parties, any issue typically encountered in the California workers' compensation system can be deemed appropriate for mediation in accordance with the provisions of the Agreement.
5. Upon receipt of an official request to mediate, the non-requesting party shall have a period not to exceed fifteen (15) calendar days within which to either accept or reject the request to mediate. If no response is provided within the fifteen (15) calendar day period, the request shall be deemed to have been rejected. Any response to a request to mediate from the City shall be sent to the employee with a copy to the employee's legal representative. Any response to a request to mediate from the employee or employee's legal representative shall be sent to the employee's assigned claims examiner with a copy to the City and City legal representative.
6. If both parties agree to mediate an issue or issues, within fifteen (15) calendar days of such agreement being reached, mediation of said issues will be assigned to a mediator from the approved Mediator Panel.
7. Mediator selection is completed by starting with the first name from the Mediator Panel and continuing down the list, in order, until the list is exhausted, at which time City Risk Management/TPA shall resume using the first name on the list. City Risk Management/TPA shall notify all parties of the selection and assignment of a mediator within ten (10) calendar days of such assignment having been made.
8. Mediators will be paid at a rate of \$300.00 per hour. All costs associated with the mediation shall be paid by the City.
9. Within five (5) calendar days of the selection of a mediator, the selected mediator shall be notified by the City Risk Management/TPA of his/her selection. The selected

mediator shall then schedule the date, time, and location of the mediation with the parties.

10. The mediation must take place within forty-five (45) calendar days of notification having been sent to the mediator of his/her selection, unless this time limit is waived by both parties. If the selected mediator is either unable or unwilling to schedule mediation within this forty-five (45) calendar day period, a new mediator shall be selected from the Mediator Panel from the next mediator available on the list, pursuant to the provisions of Paragraph 7.
11. The procedure, process, format, general nature of the mediation, the issues to be mediated, and the manner in which the mediation shall be conducted will be within the sole discretion of the mediator.
12. Mediation briefs shall not be mandatory but are strongly recommended and shall be a useful tool to assure that the mediator fully understands the issues involved and each party's respective positions in regards to each issue. Mediation briefs should be submitted to the mediator no later than ten (10) calendar days prior to the mediation. No specific format for a mediation brief is required. Mediations briefs may be formatted and submitted as either a formal pleading or in an informal letter brief format.
13. If the mediation is successful at resolving the dispute, a summary of the mediation shall be prepared by the Mediator, setting forth the specific issues presented for the mediation, a general description of how the mediation was conducted, length of time of the mediation, and the resolution or settlement reached. A copy of this Mediation Summary shall be served upon the employee, the employee's legal representative, to the employee's assigned examiner, and to City Risk Management and the City's legal representative.
14. If the mediation is unsuccessful at resolving the dispute, either party may seek to have the issue or issues adjudicated by the WCAB by filing a Declaration of Readiness to Proceed, in accordance with the Rules and Regulations governing WCAB hearings, as set forth in the Labor Code and the California Code of Regulations.
15. Although the mediation process is completely voluntary, it is expected that if the parties mutually agree to mediate an issue or issues, both parties shall abstain from filing a Declaration of Readiness to Proceed, with respect to said issue or issues, with the WCAB until completion of the mediation process, as set forth above.

Article VI: Discovery

1. Covered individual shall provide City Risk Management/TPA with fully executed medical, employment and concurrent employment releases, disclosure statement and any other documents and information reasonably necessary for the City to resolve the

employee's claim, when requested. If the employee fails to return the release and it is determined that the medical information is not sufficient for the IME to provide a comprehensive evaluation, the parties shall meet to resolve the issue(s) prior to setting an evaluation. This Article does not supplant or diminish the parties' right to pursue or contest discovery issues pursuant to the remedies provided in the Labor Code, through mediation or the WCAB.

2. This Agreement does not preclude a formal deposition of a covered employee or an IME when necessary. Attorney's fees for depositions of covered employees shall be paid at the rate of \$325 per hour, consistent with Labor Code §5710. This rate of reimbursement for attorney's fees for depositions of covered employees is subject to an annual review to determine if adjustments to said rate of reimbursement should be made. There shall be no attorney's fees for depositions of physicians or IME's.

Article VII: General Provisions

1. This Agreement constitutes the entire understanding of the parties and supersedes all other agreements, oral or written, with respect to the subject matter in this Agreement.
2. This Agreement shall be governed and construed pursuant to the laws of the State of California.
3. This Agreement, including all attachments and exhibits, shall not be amended, nor any provisions waived, except in writing signed by the parties which expressly refers to this Agreement.
