GENERAL CONSTRUCTION ACTIVITIES - **UPDATES**

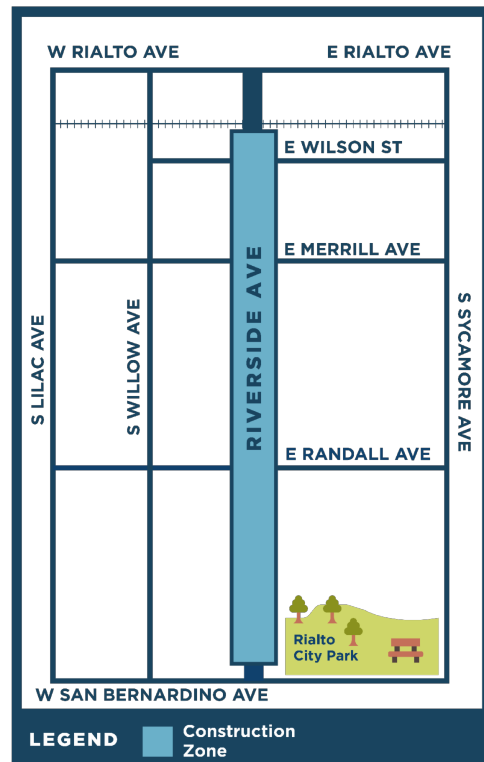

WHAT

The City of Rialto continues with activities to reconstruct Riverside Avenue (Central). These activities include*:

1. Utility adjustments (no utility impacts to the public)
2. Reconstruction of:
 - Curbs and gutters
 - Cross gutters and spandrels
 - Access ramps
 - Bus pads
 - Approaches of driveways
 - Sidewalk
 - Roadway

The contractor will work on every-other bus pad at a time and then switch to the remaining bus pads to allow for Omnitrans service and bus stop access to the public.

**This work may be loud at times. The schedule is subject to change due to inclement weather or unforeseen operational factors.*

WHEN

Ongoing through end of January 2023.*

Hours: 7 a.m. to 4 p.m. Monday-Friday*

**Notification will be provided if night work is needed. Holidays excluded.*

WHERE

On Riverside Ave. between San Bernardino Ave. and just south of the Metro railroad tracks.

LANE RESTRICTIONS*

- Southbound Riverside Ave. - the outside lane will be **closed****
- Northbound Riverside Ave. - the outside lane will be **closed****

**The current lane restrictions are removed at the end of each work day. These lane restrictions do not affect bus stop service.*

***The contractor will work on both directions simultaneously and will switch to the inside lanes upon completing the outside lanes. Access to businesses and residential driveways will be maintained at all times.*

APPROACHES OF DRIVEWAYS - **UPDATES**

WHAT

As a part of the Riverside Avenue (Central) reconstruction, crews continue with the demolition of curbs and/or driveway approaches at the locations listed below, as well as with concrete pours and allowing for the concrete to hardened.*

**This work may be loud at times. The schedule is subject to change due to inclement weather or unforeseen operational factors.*

LANE RESTRICTIONS*

- Southbound Riverside Ave. - the outside lane will be **closed**
- Northbound Riverside Ave. - the outside lane will be **closed**

**The current lane restrictions are removed at the end of each work day. These lane restrictions do not affect bus stop service.*

CONCRETE REMOVAL FOR CROSS GUTTER & SPANDREL IMPROVEMENTS

WHAT

As a part of the Riverside Avenue (Central) reconstruction, crews continue with concrete removals on the side streets listed below (off of Riverside Ave.) for cross gutter and spandrel improvements.*

**This work may be loud at times. The schedule is subject to change due to inclement weather or unforeseen operational factors.*

WHERE

- Grant St. off of Riverside Ave.
- E. Alru St. off of Riverside Ave.
- E. Vodden St. off of Riverside Ave.
- E. James St. off of Riverside Ave.
- E. Merrill St. off of Riverside Ave.
- E. South St. off of Riverside Ave.
- E. Wilson St. off of Riverside Ave.

INTERSECTION CLOSURES

Crews will continue to implement intermittent temporary closures at the side streets. Please adhere to detour signs. Flaggers will be onsite to direct traffic. Trench plates will be placed at the end of each work shift for street access. No Parking signs will be posted, as needed.

WHEN

Ongoing through the week of January 30, 2023*

Hours: 7 a.m. to 4 p.m. Monday-Friday*

**Notification will be provided if night work is needed. Holidays excluded.*

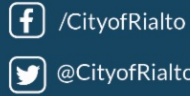

WHAT TO EXPECT

- **Flagmen:** Flaggers will be onsite as needed to allow access to traffic
- **Dust Mitigation:** Water trucks will be used to minimize dust
- **Safety:** Traffic control implementation will be used for the safety of motorists and the crews
